## **PROTRAIN Professional Risk Manager**

The Professional Risk Manager Program is a competitive exam that tests a professional's competence in the field of risk management. This program is certified by The Professional Risk Managers' International Association (PRMIA). Visit their website [www.prmia.org](http://www.prmia.org). Today's risk professional is expected by regulators and shareholders alike to know and understand industry best practices and to be committed to using them. The PRM certification sends the message to stakeholders that you set the standards. ProTrain, in partnership with Kesdee, with its expertise in developing online tutorials for certification exams, has developed ePRM Coach, a comprehensive self-study guide for the Professional Risk Manager (PRM).
